Web Books Results **1 - 10** of about **601,000** for **alternating time transition labeled preserved**. (0.16 second

Modular abstractions for verifying real-**time** distributed systems
to **time** duration of actions. The language **preserved** by this abstraction is a
sublanguage .... (ca) then it contains also a **transition labeled** with a (a). ...
www.springerlink.com/index/y21571w575712760.pdf - Similar pages

Modular abstractions for verifying real-**time** distributed systems
reference to **time** duration of actions. The language **preserved** by this abstraction ...... For
every state, if a **transition labeled** by either al or bl ...
